

MMBasic Hardware Backpacks Firmware Manuals Games etc.

This section (namespace) should be used for pages pertaining to **hardware, manuals, backpack PCBs, adapter boards** and **games** etc relating to the various MMBasic ports. It is expected there will be a page (similar to @lizby's ArmmiteF4 page) for each platform. For other code and coding in general see the MMBasic namespace.

List of pages in this namespace

- [37 Sensor, 45 sensor kits](#)
- [Armmite F4 User Manual, Firmware and Source](#)
- [Armmite F4 Hardware](#)
- [Armmite H7 User Manual, Firmware and Source](#)
